*A message from the Chairman:* The Rusties are back!

It is exactly 11 years since our very first RPO concert, on 11<sup>th</sup> July 2010! Our activities meanwhile have included regular concerts around Oundle, and amazing tours to France, Norfolk and Callander. We have suffered an enforced Covid break of nearly 18 months, but are now back after endless lockdowns, false dawns and risk assessments in a new rehearsal hall sufficiently large to rehearse safely. We have dusted down our even rustier instruments, and managed to have seven rehearsals – four in sections and three with full orchestra: please enjoy the concert today with this in mind.

We were delighted when several new players came forward at our first rehearsal! Never has the orchestra been so strong in the lower string departments, but still a bit low in the upper. Any rusty violinists out there, or any rusty players of any instrument, are welcome to join us.

Sadly, we lost Peter Birchell this year. Peter was our incredibly talented oboist and a true gentleman. We miss listening to his wonderful tone and would like to dedicate this concert to his memory. Thank-you Peter.
