

Welcome to the RUSTY PLAYERS OF OUNDLE!

Do you, or did you, play a musical instrument? Has it been too long in its case? **Fancy playing with the RPO?** (Not quite up to the Royal Philharmonic, but OK?) No auditions, no blame for wrong notes, and hardly any cost!

We rehearse every other MONDAY evening in the Queen Victoria Hall under our regular conductor VINCE DAVY. The RPO numbers are around **50 regular players**, with a further 8-10 on the fringes.

Players, **age range 20 to 70**, fall into three categories:

- ♪ Those who started playing in their teens, before work forced a break
- ♪ Competent players on one instrument, but who have a second to develop
- ♪ Some have taken to music later on in life - this is their first experience

All these categories make a full contribution to the RPO and (seem to) enjoy it!
Subscriptions: currently just £10 per term . Our concert schedule is typically:

- ♪ a **CHRISTMAS concert** (often in St Peter's Church, Oundle)
 - ♪ a **SUMMER concert** (often in Fotheringhay Church)
- and occasional ad hoc groups perform at events in the region
