ADMISSION FREE

The Rusty Players of Oundle (RPO) is a 50-strong orchestra of spirited instrumentalists, made up of those who have resumed playing in their later years after a mid-life musical break, those playing a second instrument, or some that just started learning music later in life. Our members enjoy playing in an unpressurised environment where camaraderie and musical development go hand in hand.

Welcome to our summer concert. Many of you will have heard us play before but for those of you who are new we are a group of around fifty who meet once a fortnight to play a broad selection of music. We welcome new players (and old) whatever your instrument. There are no auditions for joiners, so prospective members can simply come along and see how they get on. This year we are delighted to have amazing new members in both the brass

and bassoon sections. If you too have an instrument which hasn't been played for a while, get it out and come and join us, we'd love to have you!

Of course, none of this would happen without the professional guidance of our maestro, David Milsted. David's commitment and enthusiasm really has brought out the best in the group to such an extent that we might consider dropping "Rusty" from our name.

We are grateful to Oundle Fringe Festival for supporting us and including the 'RPO' in the festival line up. Finally, I would like to thank the wonderful committee without whom none of this would happen. They are competent and capable and so generous with their time and expertise - thank you.

Have a wonderful summer and we hope to see you at our next concert in December!
